Program Report

Program Name: National Webinar on Research, Innovation and Ranking

Resource Person (s): 1. Dr. K. Rajkumar Ranjan Singh

Minister of State for External Affairs and Education

2. Prof K. Vijaya Raghavan

Principal Scientific Advisor

Date of Activity: 11/08/2021

Organised by: Institution Innovation Council

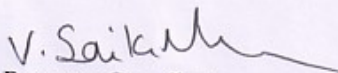

Venue: Bapatla College of Pharmacy

Objectives of program:

- This primary goal was to make awareness among students, academicians and researcher's regarding research innovation and ranking.
- Suggestions to improve research and innovations in academic level to get highest ranks.
- How improved ranking helps to get funding from various government and non government organisations.

Program Outcome:

- By this program the students and faculty learned about history of research and innovations among the primitive civilization.
- Academic research cell should be established and improved research activities helps to improve the ranking of institution.
- Increased ranking facilitates to get the funds from various sponsored organisations.
- The spokesperson exemplified situations to the students and faculty to set the goals in the research and completed in a time fashion.

Program Details

On 08/12/2021 guest lecture was conducted on Entrepreneurship Opportunities in Agricultural Sector by Sri A. Natarajan Ag Bsc & Msc, ANGRU invited by the institutional innovation council. The program was well organized and the chief guest was introduced by the coordinator Dr. V.Sai kishore to the participants. Later on the chief guest A. Natarajan shared his knowledge regarding the agricultural products marketed in the social community and their importance. Various agri based products like millets combined batters, biscuits and snacks are gaining more importance in the market which will lead to be entrepreneurship. He also mentioned this will provide a healthy ecofriendly business for the community with high profits and low investment. Indirectly it will improve the employment for the all range of people even the uneducated people. The IV B.pharmacy and M.pharmacy students are attend the session and gained knowledge on entrepreneurship establishment regarding the agricultural products.
