| Description                | Socio-economic house hold survey was conducted by our college NSS Unit in association with Gram Panchayat office, Maruproluvaripalem village. Volunteers interacted and engaged with the people and conducted house hold survey and village survey. Also met Panchayat secretary and discussed the schemes and benefits people receiving from various Govt. programmes. Volunteers on behalf of the people brought one of the key issues pertaining to uninterrupted drinking water supply to the individual households to the related officials. Volunteers covered around 75% of the households. |

| Description                | Outreach program on digital literacy was conducted by our college IIC and NSS unit at Akshar Vidya Bhavan High School, Bapatla. Children were explained and taught about various web sources where they can access information digitally free. As a part of Digital India initiative our volunteers conducted an outreach program for school children to bring some awareness and to make them familiar with these resources in this modern era of digital India. |

| Description                | Village Survey was conducted by our college NSS Unit in association with Gram Panchayat office, maruproluvaripalem to educate and to bring awareness among the people regarding the precautionary measures to be taken during the upcoming summer/raising temperature and intake of diet, in terms liquids than the normal conditions. Also enquired about the drinking water facility in the village and its supply with the Panchayat secretary, Dr. K Sambasiva Rao Garu. Sir has informed that, as of now, there is enough water supply to the village and all the possible measures are being taken to ensure uninterrupted supply of water even in the sunny days ahead. As a apart of Jal Sakthi Abhiyaan, water tank has been sanctioned and sooner it will be reality for the people of village. |
