REPORT

Name of the Event	International Chess Day
Date:	20-07-2018
Event	Chess Competition

International Chess Day is celebrated on July 20. Chess was invented in India in the fifth century. It was named as "Chaturanga". On July 20, 2018, Bapatla College of Pharmacy celebrated **International Chess Day**.

Chess is a board game played with two players. It is a square board, made up of 64 smaller squares, with eight squares on each side. Each player starts with sixteen coins: eight pawns, two knights, two bishops, two rooks, one queen, and one king.

The player with white coins always will make the first move. It is a strategy board game, during the game the two opponents take turns to move one of their pieces to a different square of the board. If the player whose king is in danger cannot play any other moves to save the king, it is checkmate, and the player loses the game.

On this event chess competition was conducted. By following all the strict rules and regulations the winners and runners were given prizes and all the participants were given participation certificates.

REPORT

Competitions	On the event of Sankranthi Sambharalu
Date:	7 th and 8 th January 2019
Event	Kite Fest, Running, Rangoli Competition.

Sankranti is one of the most important festivals for Indians and one that holds immense physical and spiritual significance. It is a festival when farmers rejoice at the good harvest and express their gratitude to the Sun, the Earth and the cattle for their bountiful blessings. It marks the end of the dull and dreary winter and the onset of colourful and joyous spring. Bapatla College of Pharmacy, Bapatla conducted competitions for the event of Sankranthi Sambaralu on 7th and 8th January at college campus. The students dressed in their traditional best decorated the premises with Rangoli and took part in various competitions. The entire college wore a colorful look with Rangolies by the participants. Students decorated the Rangolies by keeping "Gobemmas" at the centre of Rangolies. The initiative was appreciated by Dr. T.E.G.K MURTHY, Principal of the college and he addressed the students, to fly high on their Dreams and aspirations like a kite, but stay grounded on your values like the string that holds the kite. In the view of "Sankranthi Sambaralu" celebrations the competitions in Student category and Prizes to the Winners and Runners were announced to be distributed on the day of Sankranthi Sambarallu.
