Subject: PERMISSION LETTER FOR INDUSTRIAL VISIT FOR B.PHARMACY STUDENTS (2021-2025 batch)

Dear Sir/madam

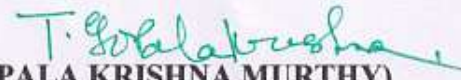

This is a request letter to seek your kind permission for an industrial visit to your plant. As per our academic requirement, the B.pharmacy students are expected to visit prominent industries of repute. We feel it will be fruitful that the students with academic background have a glimpse at the plant for the practical exposure and insights to real working environment.

We wish to visit your plant for a day, preferably in this month, the II/IV B.pharmacy students accompanied with 2 faculty members to visit your premises.

We assure that our students will observe the rules and regulations that are prescribed by your company and will no way disturb the functioning of the company during their visit.

I request you to kindly grant permission to visit your esteemed company, your positive response in this regard will be highly solicited.

Thanking you and looking forward to a fruitful engagement for our students in your esteemed company

(T.E. GOPALA KRISHNA MURTHY)

INDUSTRIAL VISIT REPORT

Name of program : INDUSTRIAL VISIT
Date of Activity : 22-04-2023
Program Co-Ordinators : G.V.S subramanyam
B. Sudheer chowdary
Target students : II/IV B.Pharm
No of participants : 102

Industrial visit to Srinija parenterals ,perecherla,Guntur District was organized on 22/04/2023 by G.V.Subramanyam Associate Professor , Department of Pharmaceutical Analysis & B.Sudheer chowdary, Assistant professor , Department of pharmacology for II/IV B.Pharm students.A total of 102 students of II/IV B.Pharmacy had participated in industrial visit for enhancing their knowledge and skills.

During the visit students were introduced with Srinija Parenterals and the importance of various parenteral dosage forms and their applications .The Technical Incharge Officer explained the students about different types of parenteral formulations which were being manufactured in the plant. He concluded his lecture with Good Collection Process, Good Laboratory Practices, quality, purity, and evaluation processes. Students visited different sections in industry like production area, quality control, sealing and labeling of containers, packaging of finished products.

This industrial visit was helpful to the students in understanding the different manufacturing processes and procedures, various industrial scale equipment's used to produce drugs treating asthma, allergies, hypertension, insomnia, nervous disorders, and inflammation. Industrial visit is an integral part of our teaching strategy in our academic programs. Industrial visit is to familiarize students especially in the Pharmacy with the equipments and materials they'll use later in either professional, post-graduate employment or research positions. Students gained the Practical knowledge about all the equipments used in parenteral dosage forms.

Dr. T.E.Gopalakrishna Murthy, Principal congratulated HOD, Coordinators & students for their active participation and successful completion of industrial visit.

Highlights of the visit:

- A total of 102 members including faculty and students of II Year B.Pharmacy attended & benefited through the Industrial visit.
- Helps students to understand the functioning of the industry.
- Provides an insight into the real working environment.
- Provides an opportunity to plan, organize and engage things.
- A good opportunity to interact with the experts.
- Students had the opportunity to upgrade their knowledge and skill ability that they benefited a lot from Industrial visit and this has also triggered them to explore meaningful acquisition of Equipment Handling Experience.
- Helps to enhance their interpersonal skills.
- Students do wonders in their interviews as they know about the functioning of industries because of Industrial visits.
