Key Indicator 3.4

Extension Activities

Metric No 3.4.1:

3.4.1 Extension activities are carried out in the neighborhood community, strengthening students to social issues, for their development and impact during the last five years

The college organized several extension activities to assist awareness in the neighborhood community and to strengthen the student's awareness of community needs. Our college students participated actively in social service activities, which led to their development. The college is taking various initiative steps to improve the quality of life of people surrounding the Institution. The Institution instructs all the students to participate in multiple social activity programs conducted by the Institution. These activities are conducted through the National Service Scheme (NSS). The main objective is to build social awareness and social responsibility among the students.

The NSS unit carries out its responsibilities for shaping the students into responsible citizens of the country. Various programs are conducted which are related to environmental protection like say no to plastic, Health and Hygiene, Proper nutritious diet to children, WORLD AIDS DAY RALLY, awareness on Communicable diseases, Voters Day, SwachhbharatAbhiyan, health camps, swachh villages, socio-economic surveys etc. All the activities positively impact the students, developing student-community relationships, leadership skills, and self-confidence in students. Such activities surely inculcate social responsibility among the students. The Conducted activities guide the students towards the values of social obligations, such as :

1. Helping the public in distress conduct
2. Understanding the needs of the society
3. Awareness about cleanliness in public places
4. Leaning social values and environmental related issues.

Outcomes of the activities:

1. Intensified knowledge of social problems and techniques for their solutions to their lives.
2. Develop affection and a friendly nature towards the public and affected people or wildlife.
3. Develop skills like social skills, communication skills, management skills, leadership skills, analytic skills, and talent for problem-solving.
4. Develop relations and tie up with NGO organizations to carry out different activities in the future.
5. The overall activities impart a positive response to the students. These activities developed leadership skills and self-confidence in students and maintained a relationship between students and the public.
