## INSTITUTIONAL / HOSTEL SCHOLARSHIP

### ***Motive:***

Bapatla College of Pharmacy offers undergraduate and post graduate courses in Pharmacy and the main objective for introducing this scheme is to encourage the under privileged students to improve their proficiency in the subject and also to reduce the financial burden on their parents.

### ***Scope:***

The main goal of this scheme is to provide fee waiver in the fee to some extent to the deserved students pursuing all courses in the institute. This policy does not deviate from the admission policy of the statutory bodies and any changes made in the policy will be communicated to the students by displaying on the college notice board on the commencement of each academic year.

### ***Policy Statement:***

This policy is extended to the economically weaker students by taking into account their performance at the end of each academic year and the number of students benefited each year depends on the budget availability in that particular financial year. One more criteria is that the recipient shall not receive financial assistance from any other organization. The fee waiver amount may be in the form of hostel admission fee or tuition fee.

### ***Procedure:***

The students can enroll their names in the office till the commencement of the second semester end examinations and the names of the successful candidates will be declared after the declaration of the university results.

### ***Student Etiquette:***

This benefit is restricted to the students maintaining decorum on the college and hostel premises. Misconduct will lead to ineligibility in the current academic year and the subsequent years as well.
