Sub: Request for sanction of medical leave from 27-11-2021 to 18-01-2022.

Respected Sir,

I am here with informing to you that, I have been suffering from severe two vessel heart disease (mid LAD - calcific 90% & proximal to mid RCA - diffuse 90 % stenosis), which was confirmed by positive TMT and hence admitted at star hospital for coronary angiogram on 27-11-2021. As a part of treatment angioplasty was carried out and two stents (LAD & RCA) were placed on 29-11-2021 and discharged on 1-12-2021.

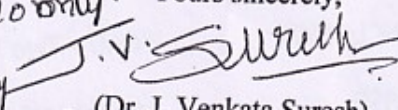

The doctor has advised me to take complete rest for six weeks (One month at the time of discharge and two more weeks at 1st review) for the complete recover and able to work again. Hence I was unable to attend the college from 27th November 2021 to 18th January 2022. The coronary angiogram report, angioplasty discharge summary and medical leave certificate is enclosed along with this letter for your kind verification and consideration.

I will be very thankful, if your goodselves will grant me medical leave for the above mention dates.

Thanking you sir,

Dr. J.V. Suresh joined in our institution on 22-1-18

As per Rule, Medical Leaves for 1 year 10 only. Yours sincerely,

He is eligible for medical leave 39 only.

Hospital Course

: He was admitted for CAG. CAG done on 27.11.21 revealed Two vessel disease (mid LAD - calcific 90% & proximal to mid RCA - diffuse 90% stenosis). Options of PTCA + Stents to LAD & RCA versus CABG have been discussed in detail with the patient and his family. They preferred angioplasty. He was treated with LMWH, antiplatelets, antianginals, statin and other supportive care. Successful PTCA + Stents to mid LAD (3.0 x 28mm Xience Xpedition) & proximal to mid RCA (3.0 x 48mm Xience Xpedition) were done through right radial approach on 29.11.21. TIMI III flow achieved. Post procedure patient was shifted to ICCU for observation. He was asymptomatic during hospital stay. His medication was optimized and discharged in hemodynamically stable condition.

Duration : 5 – Days

Dates : 22-08-2022 to 26-08-2022

No. of Participants: 40

Description : On 22-08-2022 STC inauguration was done by Dr. Ashok kumar and Prof. Pankaj sharma.

On the same day session was engaged by resource person Dr Ashok kumar on Introduction to STC and Nanosensors, devices and nano structures followed by session of resource person by prof. Pankaj sharma on Advanced materials for sensor applications.

On the 2nd day, 1st session was started at 10AM by the resource person Mr. Anil kumar sharma delivered a lecture on nano materials simulation, 2nd session started at 11.30 AM by the resource person Prof. Meena Laad on the topic Introduction to Biosensors and the 3rd session started at 2.30 PM by the resource person Dr Ashok kumar on Learning assessment and Quiz was conducted.

On the 3rd day 1st session was started at 10AM by the resource person Dr. A shiva Sangari delivered a talk on signal processing, data fusion and deep learning in sensor systems, 2nd session started at 11.30 AM by the resource person Dr K rajya Lakshmi

on the topic nano sensors and their pharmaceutical applications and the 3rd session started at 2.30 PM by the resource person

Prof Sanjeev Kumar on the topic Piezo electric sensors.

On the 4th day 1st session was started at 110AM by Dr. Thara mani C.N the deliberation on

Challenges and strategies towards the development of ultrasensitive and highly selective electro chemical biosensors-1, 2nd session started at 11.30

AM by the resource person Dr. Thara mani C.N on the topic Challenges and strategies towards the development of ultrasensitive and highly selective electro chemical biosensors-2, and the 3rd session started at 2.30PM by the resource person Dr Bhaban kumar bonsod on the topic water quality, sustainability : indigenous sensors-1.

On the 5th day 1st session was started at 10AM by the

resource person Dr Bhaban kumar bonsod on the topic water quality, sustainability: indigenous sensors-2, 2nd session started at 11.30 AM by the resource person

Dr Ashok kumar and Prof.Pankaj Sharma conducted Learning assignment and quiz

At the end of the session is valedictory function and online links were provided to the participants to collect the

feedback and an assessment for 30 marks was conducted and depending on the performance and attendance the

certificate was placed in NITTTR Portal for

Dear Dr. K Poorna Chandra Rao ,

Remote center in your Institute's name has been created as " **Bapatla College of Pharmacy, Bapatla** " for STC/FDP on '**Essential Industrial Chemistry for Engineers' (OPLAN: ICT-112)** to be held online via google meet link by NITTTR Chandigarh during 5-9 September 2022.

Please register yourself as a participant first (it will be changed to the coordinator by us later) and then ask your faculty members to register under the created remote center (Venue).

Register at <https://fdp.nitttrchd.ac.in/backingup/>

The last date for participants' online registration is 02.09.2022 (5pm). Website will not allow registration after this date/time.

PS: Google meet link, timetable and other details will be shared with you on or before Saturday, 03.09.2022

Regards

Dr Ashok Kumar/Prof Pankaj Sharma

Sub: Invitation to be Local Coordinator for STC/FDP on 'Essential Industrial Chemistry for Engineers' (OPLAN: ICT-112) to be held online during 5-9 September 2022

Dear Sir/Madam,

This is to inform you that NITTTR Chandigarh is organizing an Online Short Term Course on 'Essential Industrial Chemistry for Engineers' (OPLAN: ICT-112) to be held online during 5-9 September 2022.

The aim of this course is to train faculty members, scientists, and industrial personnel on various aspects of **Essential Industrial Chemistry for Engineers**. The fundamental principles guiding the advances in these areas will be presented.

There will be 3 sessions (1.5 h each) per day. All lectures/sessions will be arranged/delivered in Online/ICT mode.

We invite your institution to become a remote center and host this course for faculty/staff of your college/institute.

Note :

- 1. For participants (faculty) of remote centers from AICTE-approved technical institutions (Engineering & Polytechnic) there is no course fee.**
- 2. All Sessions will be delivered in online mode therefore, Remote Centers must have good internet connectivity and a big screen arrangement for presentations.**

3. Participants are requested to ensure that they have not applied to another course offered by NITTTR Chandigarh during the same period i.e. 5-9 September 2022.

4. All participants/ Local coordinator need to register online at <https://fdp.nitttrchd.ac.in/backingup/> on or before 02.09.2022 (5:00pm) and certificates will be generated online.

As a remote center, you have to ensure maximum participation of faculty from your college/institute. The local coordinator will be responsible for verification of attendance during STC, Sponsorship of participants, etc., and submit a verified attendance list of participants duly verified by their Head of institute to the undersigned in a reasonable time.

Plz. Note: A total amount Rs. 4000/- (Rupees four thousand only) will be given to each remote Centre for paying an honorarium of Rs. 2500/- to the Local Coordinator, and Rs. 1500/- to supporting staff. No other payment will be made to the remote centers. Certificates will be issued to all participants, local coordinator and ancillary staff by NITTTR Chandigarh.

Requests for Remote centers in the proforma attached should reach the undersigned preferably via email by 1 September 2022 (1:00 PM).
