## Program Report

**Name of the event** : Swachh Bharat program  
**Date** : 26/11/22  
**Venue** : Suryalanka Beach

With an aim to clean our beautiful motherland and to present her in all her splendor, BCOP organized a cleanup drive at Suryalanka Beach so as to instill a sense of responsibility in the minds of students the importance of cleanliness and to protect the aquatic life. Students wielding brooms in their hands, started the clean up drive at around 9.00 AM. Armed with gloves and an unwavering determination, BCOP students scattered across the beachside, tirelessly collecting litter as they went. They collected all the waste from the beach side ensuring it was properly disposed of in waste bags. It is through such endeavors that the vision of a cleaner, greener, and more sustainable India can be realized. Students' active involvement in the Swachh Bharat Abhiyaan exemplified their commitment to both nature and society. By taking up this noble initiative, they have set a commendable example for others to follow.

## Report

**Name of the event** : Swachh Bharat – Plantation program  
**Date** : 22/9/18  
**Venue** : ZPHS, Maruproluvari Palem

NSS Cell of Bapatla College of Pharmacy has organized a plantation program outside campus at ZPHS, Maruproluvari Palem. The purpose of the program is to create awareness among the children in schools the importance of Plantation and to protect our environment. The school students must have the knowledge of maintaining clean and green environment at and outside their school campus. The program was conducted in association with ZPHS School Officials and Gram Panchayat Office, Maruproluvari Palem. The session started by opening remarks of NSS Coordinator and Head Master of ZPHS, they delivered their message to children about the importance of plantation, how plants supply us pure and clean air and how trees help to protect soil also. Later Saplings were planted by the School students and School officials in coordination with NSS volunteers. The program was successful as it is a great contribution and support from the Children and all officials to maintain the environment clean.
