Remuneration paid to you shall be subject to Tax Deduction at Source as per the rules applicable at the time of disbursement.
4. If you want to exit the organization for any cause, you need to formally resign, serve notice period, and complete exit formalities as per the HR policy and as per the employment documents that you sign while joining us. We waive off notice period only on serious medical conditions, which are substantiated with medical documents such as hospitalization records, discharge summary, scan report, blood test reports. We will send them to our medical panel and once they validate and approve the documents, immediate relieving will be initiated.
5. Otherwise, associates below AVP level have to serve Two months' notice while resigning from services. All the confirmed associates have to serve notice period according to their designation or they need to pay three/two (based on their designation) month's gross salary in lieu of notice while resigning from services. However the decision to accept gross salary in lieu of their notice period solely lies with your functional head based on the responsibilities they were handling and the availability of replacement for the position.
6. **Employee's unauthorized absence:** Employee's unauthorized absence for a period of three consecutive days will make the employee loose his / her lien and his services with the company. The company will send a formal letter to the employee asking for explanation on the unauthorized absence and will request the employee to come back to work within 2 working days from the receipt of the letter. Not responding for the formal HR letter will attract a legal letter from the company asking for explanation and compensation for absconding from work and the employee's service with the company will automatically come to end without company's notice or intimation.
